Hi! I am Lindsay Moore - wife, mother and fabulous romantic.
I am a photographer and I love my job.

I absolutely LOVE weddings. Everything about weddings. The flowers, the dresses, the ceremony, the little details no guest knows about - but the bride and groom do, the tears, the laughter - but above all -
I absolutely LOVE the photographs.

When I planned my own wedding, 10 years ago, the photography was one of the most important parts. I knew it had to be perfect, because after everything was over, the pictures would remain, and I wanted them to take me back to that very day each and every time I looked at them. I wanted to be able to show my children and hopefully one day, my grandchildren, how amazing everything was, and how much love went into that one very important day.

Now I have been given the incredible gift of capturing other people's weddings. That is not something that I take lightly. I invite you to visit my website and if what you see interests you, I would love to talk! I accept a limited number of events a year, so please don't delay.

I look forward to working with you and your loved ones.

So, the cake is eaten - the flowers - they wilted at your mom's house while you were on your honeymoon. That dress (the fabulous one) is sitting in your extra bedroom - waiting to be packed away.

What do you have left to remind you of all that time - all that thought - all that love that went in to that one day?

Frequent Questions

HOW WOULD YOU DESCRIBE YOUR STYLE?

Fresh, fun.... *always* fun. Definitely more photojournalistic. We make a point of staying on top of the latest trends in not only photography, but fashion as well. We are very relaxed and work quickly and efficiently, so the dads and the groomsmen all stay very happy! While schedules are great and can serve a wonderful purpose, we welcome the unexpected. Often the most fabulous images are totally unplanned.

WE LOVE YOUR STYLE BUT WOULD LOVE TO HAVE SOME TRADITIONAL PORTRAITURE. IS THIS SOMETHING YOU DO?

We do traditional portraiture at most of our weddings. Even the most modern brides still want the heirlooms that family portraiture creates. We do not, however, conduct portrait sessions in a traditional way. Instead, they are very loose, fun, and show off your personality. We will spend only 30 to 45 minutes on any posed photographs out of a typical 8 hour day.

DO YOU SHOOT WITH FILM OR DIGITAL?

We are 100 percent digital. The creative latitude that digital gives is beyond compare. When we shoot, we not only shoot for the moment, but have a clear vision of what the finished image will look like. By shooting digitally, the possibilities are limitless!

I'M HAVING A RELIGIOUS CEREMONY. ARE YOU FAMILIAR WITH THE EVENTS THAT WILL TAKE PLACE?

We have been blessed to have photographed many different types of weddings. If you are having a wedding that we are not familiar with, we would absolutely love to learn all about the customs and events.

WHEN DO WE PAY?

A 50% non-refundable deposit is required to book your date, then the remainder is due in full 2 weeks from the wedding day.

Please inquire about discounts offered for paying in full at the time of booking
